

Invitation to TGAA Victoria
Regional Seminar
 Tuesday 9th MARCH 2010
 Central Reserve - Gravesend St
 Colac Victoria
 (behind Colac Bowling Club)

This seminar is proudly
 sponsored by:

This years Regional Seminar takes us to Colac and will include a bus transfer to the Biogreen facilities in Swan Marsh, then return to Central Reserve for lunch.

Speakers for this day include:

Guest speaker - Barwon Water

This session will address current issues for western Victoria.

**9:00am Registration
 1:00pm approximate finish**

Luke Tresize -TurfCare & Hire

With many Councils converting their normal rye grass ovals to summer grasses - couch ovals, Luke will speak on the issue of water restrictions, the concerted effort of Councils to conserve and save water and the fact that couch uses 1/3 of the water of normal grasses.

Daryl Stevens -Arris Environmental Consulting

Irrigation of amenity horticulture with recycled water and managing a changing climate.

Peter Todd- City of GlenEira

Sub surface drip irrigation within the City of Glen Eira

Question time will be made available at the end of each session.
