

# Renovations Manager Needed

Paddy is leaving us and going back home to Corrigin. We are sorry to see him go, but such is life.

This means Lawn Doctor needs a new face to market and run our renovations team.

Experience is necessary in turf renovation, fertilising, weed control and staff management.

Please feel free to phone our former renovations managers, Paddy, on 040 063 2434 or Paul St Jack on 040 832 5856 for their perspective of the position and the company. Paul left us to “retire” as a turf lecturer at TAFE but he is still able to answer any questions you may have.

If you are interested in the position, please phone:  
Dave Parker on 9306 1788 or 041 976 1788
